

**Estimator / QS – Entry Level**

**Based Hertfordshire, projects across London and the UK**

**£30,000–£40,000 plus package**

**Vacancy ID: 010164**

**What You'll Do**

You'll support estimating and quantity surveying activities within a growing office fit out contractor, gaining exposure to projects from tender stage through to final account. Working alongside experienced commercial and project teams, you'll help price work accurately and support cost control during delivery.

Your role will include assisting with quantity take-offs, cost breakdowns, supplier and subcontractor enquiries, and tender submissions. You'll support value engineering exercises, attend tender reviews and assist with post-tender queries, building a solid understanding of how fit out projects are priced.

During delivery, you'll assist with procurement, cost tracking, variations, interim valuations and final accounts, maintaining accurate commercial records and working closely with Project Managers to understand sequencing and cost versus value.

**What You'll Get**

You'll be given structured support and practical training to develop your commercial skills. The business offers a collaborative, hands-on working environment where learning is encouraged and responsibility increases as your confidence grows.

Hybrid working allows flexibility between office, site and home, while maintaining close contact with the wider team. As part of a growing challenger business, you'll have the opportunity to contribute, learn quickly and progress into a more senior commercial role over time.

**What You'll Need**

You'll be numerate, detail-focused and organised, with a clear interest in construction and cost management. You may be a recent graduate or at an early stage in your career. Strong Excel skills, good communication and a willingness to learn are essential.

### **About the Company**
